CELEBRATING THE LIFE OF

**JACOB THOMAS
FITZGERALD**

10TH JULY 2006 - 28TH MAY 2023

**I AM JACOB
REMEMBER ME**

I am a thousand revs that go
I am the diamonds glistening in the snow.
I am the sun that keeps you warm
I am the waves that follow the storm.
When you awaken in the morning's hush
I am the swift uplifting rush
of burnouts in full flight.
I am the bright stars that shine at night.
My heart so full of love
Think of me, I fly high above.
