There are some who bring a light so great to the World
that even after they have gone the light remains.

Promises of God

God has not promised skies always blue,
flower-strewn pathways all our lives through;
God has not promised sun without rain,
joy without sorrow, peace without pain.
But God **has** promised strength for the day,
rest for the labourer, light for the way,
Grace for the trial, help from above,
unfailing sympathy, undying love.
