When I Must Leave You
When I must leave you, For a little while
Please do not grieve, And shed wild tears
And hug your sorrow to you, Through the years,
But start out bravely, With a gallant smile;
And for my sake, And for my name
Live on and do, All things the same
Feed not your loneliness, On empty days,
But fill each waking hour, In useful ways
Reach out your hand, In comfort and in cheer
And I in turn will comfort you, And hold you near
And never, never, Be afraid to die
For I am waiting for you in the sky!
