

Miss Me But Let Me Go

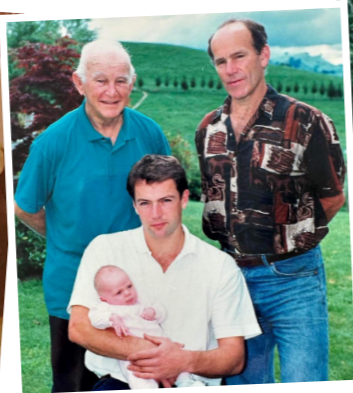

When I come to the end of the road and the sun has set for me,
I want no rites in a gloom filled room, why cry for a soul set free?

Miss me a little but not too long, and not with your head bowed low.
Remember the love and friendship that we once shared
Miss me, but let me go.

For this is the journey that we must all take, and each must go alone.
It's all a part of the master's plan, a step on the road to home.

So remember me as the person I was, I had a good life you know.
Don't bury yourselves in sorrow,
Miss me but let me go.

Craig's family thank you for your love, support and attendance
here today and warmly invite you to join them for refreshments
here after the service.

A Successful Man

A person is a success who has lived well,
Laughed often and loved much.
Who has gained the respect of intelligent people
and the love of children.
Who has filled his niche and accomplished his task;
Who leaves the world better than he found it,
Who never lacked appreciation of the worlds beauty
Or failed to express it;
Who looked for the best in others
and gave the best that he had.
