Our Journey

This is the journey and this is the road,
Helping each other and sharing the load;
Walking together and seeking the way,
Sharing the wonder and seizing the day.

Making discoveries, Lessons to learn,
New exploration as seasons return,
Finding a way to forget and forgive,
Counting our blessings and learning to live.

This is the journey and now is the time,
New paths to follow and mountains to climb,
Travelling onward, enjoying each mile,
Rejoice in the moment, the journey worthwhile.
