## THAT MAN IS A SUCCESS

A person is a success who has lived well,  
Laughed often and loved much.  
Who has gained the respect of intelligent people  
and the love of children.  
Who has filled his niche and accomplished his task;  
Who leaves the world better than he found it,  
Who never lacked appreciation of the world's beauty  
Or failed to express it;  
Who looked for the best in others  
and gave the best that he had.
