The more you give, the more you get
The more you laugh, the less you fret
The more you do unselfishly
The more you live abundantly
The more of everything you share
The more you'll always have to spare
The more you love, the more you'll find
That life is good and friends are kind
For only what we giveaway
Enriches us from day to day.

"There are some who bring *a light*
so great to the world that
even after they have gone
the light remain's"
